Subject: Field Rental Inquiry for Summer 2021 in East Amwell Township, NJ

Good afternoon Alison,

I hope that you are well. My name is Tom Bonelli with the eCamps Sports Network based in Fairfield, CT and we have been running youth sports camps throughout the country since 2001. As we enter the new year, we are actively looking for new facilities and communities to bring our programs to for the summer to help get young athletes back on the field safely.

I wanted to reach out today to provide you with as much notice as possible that we are eager to run camps again for the Summer 2021. We would love to work together and use the athletic facilities in East Amwell Township, NJ if there are any open weeks on the calendar this summer!

We ran programming this past summer at many locations nationwide while adapting and adhering to each state's mandates/protocols regarding to Covid-19. I am sure all factors will continue to evolve in the months to come but we are prepared and eager to get back to some normalcy for this summer and run a full slate of summer camps.

Our brands include:

[GameBreaker Lacrosse Camps](#)
[Revolution Softball Camps](#)
[Revolution Soccer Camps](#)
[Revolution Field Hockey Camps](#)
[Adidas Tennis Camps](#)
[International Squash Academy](#)

We are prepared to make date requests and discuss any policies and procedures you are learning through best practices this year. *Are you taking date requests for this summer?*

Looking forward to hearing from you and wishing you all the best!

Regards,
Tom Bonelli
