

## August 2018 Road Report

- 8/1 Performed all repairs required by the State of New Jersey Fire Marshal after their inspection. Trimmed the grass at Clawson Park, Safe House, and at the Grit Yard
- 8/2 Mowed the grass at Clawson Park, the Little Park, the Baseball Fields, and at the Safe House.
- 8/3 Mowed the grass at the Grit Yard and around the Office Building. Cleaned up the area around the Grit Yard before the stone deliveries. Cleaned the DPW garage.
- 8/6 Removed and replaced the 40' cross drain at the intersection of Saddle Shop and Old Road. Added 1" blend to Old Road and graded the area.
- 8/7 Reinstalled 32' of reinforced concrete drive way pipe on Lindbergh Road to prevent water from draining on the road and forming ice in the winter.
- 8/8 Worked with the Township Engineer on the Linvale Road project. Picked up stones that washed onto Lindbergh Road. Moved a down tree at the intersection of Linvale and Mountain Roads. Cleared large branches along the side of Rocktown Road near mailbox #144. Repaired the drainage inlet on Dutch Lane.
- 8/9 Attended the DOT meeting. Met with the Township Engineer to review the Linvale Road project. Received a pile of 400 tons of 1" DGA and 25 ton of 4" Rip Rap. Trimmed the bamboo from the sidewalk in down town Ringoes; to keep people from walking in the street.
- 8/10 Re-graded the dirt section of Rocktown Road. Cut the grass at Clawson Park, the Little Park, the Baseball Fields, the Safe House, and at the Office Building.
- 8/13 Rain. Checked all roads, inlets and drains after a stormy weekend. Picked up all debris from the storm and cleaned the drains as needed.
- 8/14 Began road mowing on Dutch Lane. Started to load up scrap metal out of the garage. Swept and cleaned the garage. Loaded up some of the scrap over at the Grit Yard.
- 8/15 Finished the road mowing on Dutch Lane then moved the Boom mower over to Snyderstown Road to address the "line of sight" complaints. Started road mowing on Boss Road. Sent two trucks to the scrap yard. Loaded up the balance of the scrap at the Grit Yard and make another trip.
- 8/16 Continued road edge mowing on Snyderstown Road. Finished the road mowing on Boss Road and started on Rynearson Road. Trimmed the bridges, signs, and headwalls. Mowed the soccer field when camp was over for the day.
- 8/17 Mowed the grass at Clawson Park, the Safe House, Baseball Fields, Office Building, and at the Grit Yard.

- 8/20 Finished the road mowing on Snyderstown Road. Began road mowing on Garboski Road. Trimmed the bridges, signs, and headwalls.
- 8/21 Completed the road edge mowing on Garboski and Bowne Station Roads. Start mowing on Wagner Road. Sent the boom mower out to Boss Road to reach farther off the road where the side arm mower can't reach due to very wet conditions. Cleaned up the stone at the intersection of Danberry and Van Lieus Roads.
- 8/22 Finished the boom mowing on Boss Road then started to mow Garboski Road. Started side arm mowing on Toad Lane, and on Sandra and Back Brook Roads. Trimmed the bridges, signs, and headwalls.
- 8/23 Finished the boom mowing on Garboski Road. Continued the side arm mowing on Back Brook Road. Trimmed the bridges, headwalls, and signs.
- 8/24 Boom mowed Bowne Station, Wagner, and Rynearson Roads along with Toad Lane. Cut the grass at Clawson Park, the Safe House, Baseball Fields, Little Park, the Office Building, and at the Grit Yard.
- 8/27 Completed the side arm mowing on Back Brook Road and started on Van Lieus Road. Patched the edges and pot holes on Garboski, Bowne Station, and Boss Roads. Replaced both batteries in the 2013 F-550 to repair starting issues. Moved boxes from a delivery to the basement in the afternoon.
- 8/28 Continued road mowing operations. Patched wash outs on the edges of Mountain Road east of Linvale Road. Trimmed the bridges, signs, and headwalls in the afternoon.
- 8/29 Resumed road mowing operations. Patched the wash out on Mountain Road west on Linvale Road in the morning. Trimmed the bridges, signs, and headwalls in the afternoon.
- 8/30 Continued road mowing and trimming of the bridges, signs, and headwalls in the morning and afternoon. Went to the County to get fuel before the end of the day for the road mowers and lawn equipment.
- 8/31 Cut and trimmed the grass at Clawson Park, the Safe House, Baseball Fields, Grit Yard, and at the Office Building in the morning. Finished the trimming, cleaned the Park bathrooms, and brought in the speed trailer in the afternoon.
